

*G C*  
Through these misty eyes  
*Am*  
I see lonely skies  
*C Am*  
Lonely road to Babylon

*C*  
Where's my family ROAD  
*Am*  
And my country  
*C Am*  
Heaven knows where I belong  
*Dm F C G*  
*C*  
Pack my bags tonight  
*Am*  
Here's one Jacobite  
*C Am*  
Who must leave or surely die  
*C*  
Put me on a train  
*Am*  
In the pouring rain  
*C Am*  
Say farewell but don't say goodbye

*Dm F*  
Seagull carry me, over land and sea  
*Am C G*  
To my own folk, that's where I want to be

*C Am*  
Every beat of my heart  
*C Am*  
Tears me further apart  
*F C Am*  
I'm lost and alone in the dark  
*G C Am G*  
I'm going home

*C*  
One more glass of wine  
*Am*  
Just for auld lang syne

*C Am*  
And the girl I left behind

*C*  
How I miss her now  
*Am*  
In my darkest hour  
*C Am*

And the way our arms entwine

*Dm F*  
Seagull carry me, over land and sea  
*Am C G*  
To my own folk, that's where I want to be

*C Am*  
Every beat of my heart  
*C Am*  
Tears me further apart  
*F C Am*  
I'm lost and alone in the dark  
*G C Am G*  
I'm going home

*C*  
And we'll drink a toast  
*Am*  
To the blood red rose  
*C Am*  
Cheer a while the Emerald Isle

*C*  
And to the northern lights  
*Am*  
And the swirling pipes  
*C Am*  
How they make a grown man cry

*Dm F*  
Seagull carry me, over land and sea  
*Am C G*  
To my own folk, that's where I want to be

*C Am*  
Every beat of my heart  
*C Am*  
Tears me further apart  
*F C Am*  
I'm lost and alone in the dark  
*G C Am G*  
I'm going home

*C Am G*  
I'm going home?
