

*Am G*

I used to be the kind of guy

*D*

Who'd never let you look inside

*F G*

I'd smile when I was crying

*Am G*

I had nothing but a life to lose

*D*

Thought I had a lot to prove

*F G*

In my life, there's no denying

*F G*

Goodbye to all my yesterdays

*F G*

Goodbye, so long, I'm on my way

*Am*

I've had enough of cryin'

*G*

Bleedin', sweatin', dyin'

*D*

Hear me when I say

*F G*

Gonna live my life everyday

*Am*

I'm gonna touch the sky

*G*

spread these wings and fly

*D*

I ain't here to play

*F G*

I'm gonna live my life everyday

*Am G*

Change, everybody's feeling strange

*D*

Never gonna be the same

*F G*

Makes you wonder how the world keeps turning

*Am G*

Life, learning how to live my life

*D*

Learning how to pick my fights

*F G*

Take my shots while I'm still burning

*F G*

Goodbye to all those rainy nights

*F G*

Goodbye, so long, I'm moving on

*Am*

I've had enough of cryin'

*G*

Bleedin', sweatin', dyin'

*D*

Hear me when I say

*F G*

Gonna live my life everyday

*Am*

I'm gonna touch the sky

*G*

spread these wings and fly

*D*

I ain't here to play

*F G*

I'm gonna live my life everyday

*Dm* (not sure about this one)

*F*

There ain't nothing gonna get in my way

Solo

*F G*

Goodbye, so long, I'm moving on

*Am*

I've had enough of cryin'

*G*

Bleedin', sweatin', dyin'

*D*

Hear me when I say

*F G*

Gonna live my life everyday

*Am*

I'm gonna touch the sky

*G*

And I spread these wings and fly

*D*

I ain't here to play

*F G*

I'm gonna live my life everyday

*Am G D F G*

I, oh I, oh I, I'm gonna live my life everyday
