Cm *Gm7*
 Far away, once so close
 Cm
 But now you're far away
Fm
 You're still here with me
 G#m7 *Fm G#m7 G*
 But not like yesterday, so far

Cm *Gm7*
 Far away, i hear you breathe
 Cm
 But you're so far away
Fm
 Once so colourful
G#m7 *Fm G#m7 G*
 But now all turns to grey, so far

Cm
 It's oh so strange
Cm *Gm7*
 When centimetres feels like miles
Cm
 Seconds like hours
Fm *G#m7*
 Now it's true love has died
 Gm7 *Cm*
 No more roads left to try, far away

Cm *Gm7*
 Far away, long ago
 Cm
 When love was here to stay
Fm
 Now it's gone
G#m7 *Fm G#m7 G*
 It doesn't matter what we say, so far

Cm *Gm7*
 Now every word is like a knife
Fm *Gm7*
 But the silence cuts you twice
