

A#

That's all I wanted

G#

Something special, something sacred

A#

In your eyes

For just one moment

G#

To be bold and naked

At your side

F#

G#

Sometimes I think that you'll never

A#

Understand me

F#

G#

Maybe this time is forever

F

Say it can be

That's all you wanted

Something special, someone sacred

In your life

Just for one moment

To be warm and naked

At my side

Sometimes I think that you'll never

Understand me

But something tells me together

We'd be happy

(Baby)

A#

I will be your father figure

(Oh baby)

Put your tiny hand in mine

(I'd love to)

G#

I will be your preacher teacher

(Be your daddy)

Anything you have in mind

(It would make me)

A#

I will be your father figure

(Very happy)

I have had enough of crime

(Please let me)

G#

I will be the one who loves you

A#

Until the end of time

That's all I wanted  
But sometimes love can be mistaken  
For a crime  
That's all I wanted  
Just to see my baby's  
Blue eyed shine  
This time I think that my lover  
Understands me  
If we have faith in each other  
Then we can be  
Strong

I will be your father figure  
Put your tiny hand in mine  
I will be your preacher teacher  
Anything you have in mind  
I will be your father figure  
I have had enough of crime  
I will be the one who loves you  
Until the end of time

*F#*            *G#*  
If you are the desert  
          *F#*  
I'll be the sea  
*F#*            *G#*  
If you ever hunger  
          *F#*  
Hunger for me  
*F#*            *G#*  
Whatever you ask for  
          *F F#*  
That's what I'll be  
          *G#*                    *F#*  
So when you remember the ones who have lied  
          *G#*  
Who said that they cared?  
          *F#*  
But then laughed as you cried  
          *G#*  
Beautiful Darling  
*F*  
Don't think of me  
          *A# (solo) G#*  
Because all I ever wanted  
          *A#*                    *G#*  
It's in your eyes baby, baby  
          *A#*  
And love can't lie, no...  
          *F#*            *G#*            *A#*  
(Greet me with the eyes of a child)  
          *F#*  
My love is always tell me to...

G#

(Heaven is a kiss and a smile)

F

Just hold on, hold on

A#

I won't let you go, my baby

I will be your father figure

Put your tiny hand in mine

I will be your preacher teacher

Anything you have in mind

I will be your father figure

I have had enough of crime

(So I am gonna love you)

Until the end of time

I will be your father

I will be your preacher

I will be your daddy

I will be the one who loves you until the end of time
