

Am
I always knew you were the best
G
The coolest girl I know
F
Prettier than all the rest
E
The star of the show
Am *G*
So many times I wish you'd be the one for me
F
I never knew you'd be like this, girl,
E
What did ya do to me
Am
You're who I'm thinking of
G
Girl, you ain't my runner up
F *E*
And no matter what you're always number one

(Chorus)

Am
My prized possession, one and only
G
I adore ya, girl I want ya
F
The one I can't live without
E
That's you, that's you
Am
You're my special little lady
G

It's a dream that can't be real
