

F#5 A5 E5  
It seems like every day's the same and  
D5 F#5 A5 E5 D5  
I'm left to discover on my own  
F#5 A5 E5  
It seems like everything is gray and  
D5 F#5 A5 E5 D5  
There's no color to behold  
F#5 A5 E5 D5 F#5 A5 E5 D5  
They say it sober and I'm fine again, yeah  
F#5 A5 E5 D5 F#5 A5 E5 D5  
They say it sober and I'm fine again, yeah

F#5 D5 B5 E5 F#5 D5 B5 E5  
And I am aware now of how everything's gonna be fine  
F#5 D5 B5 E5 F#5  
I am prepared now, seems everyone's gonna be fine  
D5 B5 E5 F#5  
One day too late, just as well

F#5 A5 E5  
I feel the dream in me expire  
D5 F#5 A5 E5 D5  
And there's no one left to blame it on  
F#5 A5 E5  
I hear you label me a liar  
D5 F#5 A5 E5 D5  
'Cos I can't seem to get this through  
F#5 A5 E5 D5 F#5 A5 E5 D5  
You say it sober I can sigh again. yeah  
F#5 A5 E5 D5 F#5 A5 E5 D5  
You say it sober I can sigh again, yeah

D#  
And I'm not scared now  
D#  
I must assure you...you're never gonna get away  
D#  
And I'm not scared now  
D#  
And I'm not scared now
