

F C A# F
She was the first girl on the moon
F C A# F
She didn't compromise
F C A# F
When she took off that cold afternoon
F C A# F
Heading for the northern skies.

F C A#
I told her I could come
F C A#
That I could come along.

F C A# F
She was the first girl on the moon
F C A# F
I think I was her only friend
F C A# F
She bought her ray-gun, an old harpoon
F C A# F
Just in case of accidents.

F C A#
I told her I could come
F C A#
That I could come along.

{She didn't let me come along}
Eb F A#
Wave goodbye
Eb F A#
Wave goodbye

The strangest song known to man.
