It's no secret that the stars are falling from the sky It's no secret that our world is in darkness tonight A DThey say the sun is sometimes eclipsed by a moon EYou know I don't see you when she walks in the room

It's no secret that a friend is someone who lets you help It's no secret that a liar won't believe anyone else They say a secret is something you tell one other person So I'm telling you, child

The sky tonight)	lt's no secret at all

It's no secret that a conscience can sometimes be a pest It's no secret that ambition bites the nails of success Every artist is a cannibal Every poet is a thief All kill their inspiration and sing about their grief
