

G *Em*
Let's dance in style, let's dance for a while
C *D*
Heaven can wait we're only watching the skies
Em *C*
Hoping for the best but expecting the worst
D
Are you going to drop the bomb or not?

G *Em*
Let us die young or let us live forever
C *D*
We don't have the power but we never say never
Em *C*
Sitting in a sandpit, life is a short trip
D
The music's for the sad men

G *Em* *C*
Forever young, I want to be forever young
D *Em* *C* *D*
do you really want to live forever, forever forever
G *Em* *C*
Forever young, I want to be forever young
D *Em* *C* *D*
do you really want to live forever? Forever forever

G *Em*
Some are like water, some are like the heat
C *D*
Some are a melody and some are the beat
Em *C*
Sooner or later they all will be gone
D
why don't they stay young

G *Em*
It's so hard to get old without a cause
C *D*
I don't want to perish like a fleeing horse
Em *C*
Youths like diamonds in the sun
D
and diamonds are forever

G *Em* *C*
Forever young, I want to be forever young
D *Em* *C* *D*
do you really want to live forever, forever Forever
G *G* *Em* *C*
Forever young, I want to be forever young
D *Em* *C* *D*
do you really want to live forever? Forever Forever

G *Em*
So many adventures couldn't happen today
C *D*
So many songs we forgot to play
Em *C*
So many dreams swinging out of the blue
D
We let them come true

G *Em* *C*
Forever young, I want to be forever young
D *Em* *C* *D*
do you really want to live forever, forever Forever
G *G* *Em* *C*
Forever young, I want to be forever young
D *Em* *C* *D*
do you really want to live forever? Forever Forever
