

I think we should get together now
And that's what everyone's talking about!

NAKARAT

D
I can see the way, I see the way you look at me
Bm
And even when you look away I know you think of me
A *G*
I know you talk about me all the time again and again

D
So come over here, tell me what I want to hear
A
Better yet make your girlfriend disappear
Bm *G*
I don't want to hear you say her name ever again
(And again and again and again!)

D
She's like so whatever
A
You could do so much better
Bm *G*
I think we should get together now
And that's what everyone's talking about!

NAKARAT

In a second you'll be wrapped around my finger
Cause I can, cause I can do it better
There's no other
So when's it gonna sink in?
She's so stupid
What the hell were you thinking?!
[repeat]
