The truth will never hide
G# *A#*
Even though I tried
Cm *A#*
They tried to take my pride
G# *A#* *Cm* *A#*
But they only took my father from me
G# *A#*
They only took my father

Cm *A#* *G#*
Even though I cried
Cm *A#* *G#* *A#* *Cm* *A#*
Even though I tried again

Fm *A#* *Cm* *A#*
God be with you Ireland
Fm *G#* *Cm*
God be with you Ireland

Cm *A#*
Sometimes I was afraid
G# *A#*
Even though I prayed
Cm *A#*
I've lost my religion now
G# *A#*
You took that too somehow

Cm *A#* *G#*
Blood upon thy hands
Cm *A#* *G#* *A#*
Blood upon thy hands again

Cm *A#*
I have served my time
Fm *A#*
God be with you Ireland
Cm *A#*
Suffered for my crime
Fm *G#*
God be with you Ireland

Cm *A#*
I have served my time
Fm *A#*
God be with you Ireland
Cm *A#*
Suffered for my crime
Fm *G#* *Cm*
God be with you Ireland

Cm

God be with you now.
