

VERSE

*E* *C#m*  
Did I disappoint you or let you down?  
*A* *A* *B*  
Should I be feeling guilty or let the judges frown?  
*E* *C#m*  
'Cos I saw the end before we'd begun  
*A* *A* *B*  
Yes I saw you were blinded and I knew I had won.  
*E* *C#m*  
So I took what's mine by eternal right  
*A* *A* *B*  
Took your soul out into the night  
*E* *C#m*  
It may be over but it won't stop there  
*A* *A* *B*  
I am here for you if you'd only care.  
*E*  
You touched my heart you touched my soul  
*C#m*  
You changed my life and all my goals  
*A*  
And love is blind and that I knew when  
*A* *B*  
My heart was blinded by you.  
*E*  
I've kissed your lips and held your hand  
*C#m*  
Shared your dreams and shared your bed  
*A*  
I know you well I know your smell.  
*A* *B*  
I've been addicted to you.

CHORUS

Goodbye my lover.  
*C#m*  
Goodbye my friend.

You have been the one.
