

Verse 1 [Liam]:

*G*

Girl I see it in your eyes you're disappointed

*D* *Em*

'Cause I'm the foolish one that you anointed with your heart

*C*

I tore it apart

*G*

And girl what a mess I made upon your innocence

*D*

And no woman in the world deserves this

*Em* *C*

But here I am, asking you for one more chance

[Harry]:

*G* *D*

Can we fall, one more time?

*Em* *C*

Stop the tape and rewind

*G* *D*

Oh and if you walk away I know I'll fade

*Em* *C*

'Cause there is nobody else

*G* *D*

It's gotta be you

*Em* *C*

Only you

*G* *D*

It's got to be you

*Em* *C*

Oh, Only you

[Liam]:

*G*

Now girl I hear it in your voice and how it trembles

*D* *Em*

When you speak to me I don't resemble, who I was

*C*

You've almost had enough

*G*

And your actions speak louder than words

*D*

And you're about to break from all you've heard

*Em* *C*

Don't be scared, I ain't going no where

[Zayn]:

*G* *D*

I'll be here, by your side

*Em* *C*

No more fears, no more crying

*G* *D*

But if you walk away I know I'll fade

*Em C*

'Cause there is nobody else

*G D*

It's gotta be you

*Em C*

Only you

*G D*

It's got to be you

*Em C*

Oh, Only you

[Zayn]:

*G*

Oh girl, can we try one more, one more time?

*D*

One more, one more, can we try?

*Em*

One more, one more time

*C*

I'll make it better

[All, Zayn leading voice]

*G*

One more, one more, can we try?

*D*

One more, one more,

*Em C*

Can we try one more time to make it all better?

*G D*

It's gotta be you

*Em C*

It's gotta be you

*G D*

Oh, Only you

*Em C*

Only you

*G D*

It's gotta be you

*Em C*

Only you

*G D*

It's got to be you

*Em C*

Oh, Only you
