

*E*

The Mississippi Delta was shining

*A*

Like a National guitar

*C#m*

I am following the river

Down the highway

*B*

Through the cradle of the civil war

*A E*

I'm going to Graceland, Graceland

*B*

In Memphis Tennessee

*A E D A*

I'm going to Graceland

*E*

Poor boys and Pilgrims with families

*B A E D*

And we are going to Graceland

*A E B*

My traveling companion is nine years old

*A E D*

He is the child of my first marriage

*A E*

But I've reason to believe

*B A E D A E*

We both will be received In Graceland

She comes back to tell me she's gone

*A*

As if I didn't know that

*C#m*

As if I didn't know my own bed

*B*

As if I'd never noticed

*E*

The way she brushed her hair from her forehead

And she said losing love

Is like a window in your heart

*C#m*

Everybody sees you're blown apart

*B*

Everybody sees the wind blow

*A E*

I'm going to Graceland

*B*

Memphis Tennessee

*A E D A*

I'm going to Graceland

*E*

Poor boys and Pilgrims with families

*B A E D*

And we are going to Graceland

*A E B A*

My traveling companions are ghosts and empty sockets

*E D*

I'm looking at ghosts and empties

*A E*

But I've reason to believe

*B A E D A E*

We all will be received In Graceland

There is a girl in New York City

*A*

Who calls herself the human trampoline

*C#m*

And sometimes when I'm falling, flying

Or tumbling in turmoil I say

*B*

Oh, so this is what she means

*E*

She means we're bouncing into Graceland

And I see losing love

Is like a window in your heart

*C#m*

Everybody sees you're blown apart

*B*

Everybody feels the wind blow

*E*

In Graceland, in Graceland

*B A E D*

I'm going to Graceland

*A E*

For reasons I cannot explain

*B A*

There's some part of me wants to see

*E*

Graceland

*D A E*

And I may be obliged to defend

*B*

Every love, every ending

*A E D*

Or maybe there's no obligations now

*A E*

Maybe I've a reason to believe

*B*

We all will be received

*A E*

In Graceland
