

*G*                    *Am*  
Remember those walls I built  
*Am*                    *Em*  
Well baby they're tumbling down  
*C*  
And they didn't even put up a fight  
*G*  
They didn't even make a sound  
*Am*  
I found a way to let you in  
*Em*  
But I never really had a doubt  
*C*  
Standing in the light of your halo  
*G*  
I got my angel now

*G - Am*  
It's like I've been awakened  
*Em*  
Every rule I had you breakin'  
*C*  
It's the risk that I'm takin'  
*G*  
I ain't never gonna shut you out

*G*                    *Am*  
Everywhere I'm looking now  
*Em*  
I'm surrounded by your embrace  
*C*  
Baby I can see your halo  
*G*  
You know you're my saving grace  
*Am*  
You're everything I need and more  
*Em*  
It's written all over your face  
*C*  
Baby I can feel your halo  
*G*  
Pray it won't fade away

*Am*  
I can feel your halo (halo) halo  
*Em*  
I can see your halo (halo) halo  
*C*  
I can feel your halo (halo) halo  
*G*  
Woah...

Devamı Aynı Devam Ediyor.

Hit me like a ray of sun  
Burning through my darkest night  
You're the only one that I want  
Think I'm addicted to your light  
I swore I'd never fall again  
But this don't even feel like falling  
Gravity can't forget  
To pull me to the ground again

Feels like I've been awakened  
Every rule I had you breakin'  
The risk that I'm takin'  
I'm never gonna shut you out

Everywhere I'm looking now  
I'm surrounded by your embrace  
Baby I can see your halo  
You know you're my saving grace  
You're everything I need and more  
It's written all over your face  
Baby I can feel your halo  
Pray it won't fade away

I can feel your halo (halo) halo  
I can see your halo (halo) halo
