

Am
build a fire of thousand miles away
G *Am*
to light my long way home

I ride the comets my trial is long to stay
G *Am*
Silence is a heavy stone
C *D* *Am*
I fight the world and take all they can give
C *G* *Am*
there are times my heart hangs low
C *D* *Am*
Born to walk against the wind born to hear my name
C *G* *Am*
No matter where i stand i 'm all alone

Em *C* *D* *G*
Stand and fight live by your heart
Am *C*
Always one more try
G *D*
I'm not afraid to die
Am *C* *D* *G*
Stand and fight say what you feel
Am *Bm* *C* *B*
Born with a heart of steel

A5 *F5*
Burns the bridge behind you
A5
Leave no retreat
G5
There's only one way home
A5 *F5*
Those who laugh and crowd the pat

And cut each other's throats
G5 *A5*
Will fall like melting snow
C5 *D5*
And they will kneel
A5
And know this heat of steel
C5 *G5* *A5*
..was.. to hard to break to hard to hold
