

*Am*  
build a fire of thousand miles away  
*G* *Am*  
to light my long way home

I ride the comets my trial is long to stay  
*G* *Am*

Silence is a heavy stone  
*C* *D* *Am*

I fight the world and take all they can give  
*C* *G* *Am*

there are times my heart hangs low  
*C* *D* *Am*

Born to walk against the wind born to hear my name  
*C* *G* *Am*

No matter where i stand i 'm all alone

*Em* *C* *D* *G*  
Stand and fight live by your heart

*Am* *C*  
Always one more try

*G* *D*  
I'm not afraid to die

*Am* *C* *D* *G*  
Stand and fight say what you feel

*Am* *Bm* *C* *B*  
Born with a heart of steel

*A5* *F5*  
Burns the bridge behind you

*A5*  
Leave no retreat  
*G5*

There's only one way home  
*A5* *F5*

Those who laugh and crowd the pat

And cut each other's throats  
*G5* *A5*

Will fall like melting snow  
*C5* *D5*

And they will kneel  
*A5*

And know this heat of steel  
*C5* *G5* *A5*

..was.. to hard to break to hard to hold
