

G D  
Waiting at the station  
Am D  
Tears filling up my eyes  
C D  
Sometimes the pain you hide  
G D  
Burns like a fire inside  
G D  
Look out my window  
Am D  
Sometimes it's hard to see  
C D  
The things you want in life  
G D  
Come and go so easily

Am C G D  
She took the last tra in out of my heart ooo ooo  
Am C  
She took the last tra in  
G D  
And now I think I'll make a brand new start  
Am C G  
She took the last tra in out of my heart

G D  
Watching the days go by  
Am D  
Thinking 'bout the plans we made  
C D  
The days turn into years  
G D  
Funny how they fade away  
G D  
Sometimes I think of those days  
Am D  
Sometimes I just hide away  
C D  
Waiting on that 9:20 train  
G D  
Waiting on a memory

Am C G D  
She took the last tra in out of my heart ooo ooo  
Am C  
She took the last tra in  
G D  
And now I think I'll make a brand new start  
Am C D  
She took the last tra in out of my heart
