

D
I'm so happy I'm here, everything is going fine,
A
It's nothing like home, it makes me think about time,
Em
We said we would, run away for good,
G A
Now I'm here with out you,

D
I saw a picture of you,
Hanging with some new friends,
A
Happy to see that your doing okay,
Em
I love the one, where your having fun
G A
In the place that we met,

G A D G
Here I go, randomly thinkin about you,
G A D G
And there you go, making your way into my head
G A
Even though I said, I could do this with out you
D G A
Here I go again,

Here I go again.

D
Everyone says, think about my future,
A
Don't throw it away, on someone who's miles,
Em
And miles away,
Yea, that's what they say,
G A
But I'm just human,

D
So I got up today, didn't think about you,
A
Found a new favorite place,
Em
And the sky was that color of blue
G A
That looks best on you.

G A D G
Here I go, randomly thinkin about you,
G A D G
And there you go, making your way into my head
G A

Even though I said, I could do this with out you

D G A

Here I go again,

A

Here I go again.

G

So now I know that I wish you were here,

A

Nothing I do makes you disappear,

D

What can I do about it?

D

What can I do about it?

A A

I wish you were here, I wish you were here,

G

So now I know I wish you were here,

D A G A

And I'm walking on a tightrope trying not to fall into thoughts of you
