

*Am Em F G*

*Am Em F*  
What's worth nothing else but love  
*G*

Take a walk down any street now  
*Am Em*  
Every one of us in our own little world  
*F G*  
Looking for a heart with whom to beat now

*Am Em F*  
What's worth nothing else but love  
*G*  
I'm prepared to take the heat now  
*Am Em F*  
What's worth more than anything else at all  
*G*  
To keep you firmly on your feet now

*Am Em*  
So fake cool image should be over  
*F Em*  
'Cause I long for a feeling of home  
*F Em*  
Real life, depicted in song  
*F*  
A loving memory  
*Am Em F F G*  
After long, home is a place where I yearn to belong

*Am Em F*  
Where the land meets the sea  
*G*  
She'll be smiling so sweetly now  
*Am Em F*  
I hope that she'll be here much longer than I will  
*G*  
My heart loves her with every beat now

*Am Em*  
So fake cool image should be over  
*F Em*  
'Cause I long for a feeling of home  
*F Em*  
Real life, depicted in song  
*F*  
A loving memory  
*Am Em F F G*  
After long, home is a place where I yearn to belong
