They say home is the place where your heart is  
Am C G/B Em  
then I am home now but I am far away  
C Em C G/B Em D/F#  
for so long I've let deep forests guard it  
Am C G2  
and now it's begging me to stay

Em / B C G2  
and I'm trying my best to be tough  
Em / B C G2  
to pretend I am strong and can siphon it off  
Em A  
but I'm not who I wanted to be  
C G/B D/F# G  
in my heart I belong in a house by the sea

they say home is a place where you're needed  
then I am home now but I am leaving  
to feel my feet being kissed by the seaweed  
and I'll be silent and kiss it back  
this is not who I want you to see  
it's just adding on weight to the darkness in me  
and from the little I have understood  
I believe that a house by the sea would do good

they say home is a place you can choose to be  
and I've decided to carry home inside me  
so it's not really as if I am leaving  
it's more like something pulling me  
'cause behind everything that I do  
I just want to forget, want to carry this through  
fill my lungs with the sweet summer air  
in my heart in my mind I am already there

yeah behind everything that I do  
I just want to come home and lay down beside you  
and then I'll be who I wanted to be  
in my heart I belong in a house by the sea
