Intro: G C Em C x2
Chorus:
I gotta feeling
    С
That tonight's gonna be a good night
That tonight's gonna be a good night
That tonight's gonna be a good, good night
Chorus x3
Tonight's the night, let's live it up
I got my money, let's spend it up
Go out and smash it, like oh my God
Jump off that sofa, let's get get off
G
I know that we'll have a ball
If we get down and go out and just loose it all
I feel stressed and I wanna let it go
Lets go way out, spaced out and losing all control
Fill up my cup, Mazal Tov
Look at her dancing, just take it off
Lets paint the town, we'll shut it down
Let's burn the roof, and then we'll do it again
Let's do it, let's do it, let's do it
Let's do it, and do it, let's live it up
And do it, and do it, and do it, do it, do it
Let's do it, let's do it, let's do it
Chorus:
Cause I gotta feeling (woo hoo)
