

Bm

I need your love

G

I need your time

D

When everything's wrong

D

You make it right

Bm

I feel so high

G

I come alive

D

D

I need to be free with you tonight

Bm

I need your love

[Beat break]

Bm

I need your love

Bm

G

I take a deep breath everytime I pass your door

D

I know you're there but I can't see you anymore

Bm

G

And that's the reason you're in the dark

D

I've been a stranger ever since we fell apart

Bm

G

I feel so out of see

D

Watch my eyes are filled with fear

Bm

G

Tell me do you feel the same

D

Hold me in your arms again

Bm

I need your love

G

I need your time

D

When everything's wrong

D

You make it right

Bm

I feel so high

G

I come alive

D *D*
I need to be free with you tonight

Bm
I need your love

[Beat break]

Bm
I need your love

Bm *G*
Now I'm dreaming, will ever find you now?

D
I walk in circles but I'll never figure out

Bm *G*
What I mean to you, do I belong

D
I try to fight this but I know I'm not that strong

Bm *G*
And I feel so helplessly

D
Watch my eyes are filled with fear

Bm *G*
Tell me do you feel the same

D
Hold me in your arms again

Bm
I need your love

G
I need your time

D
When everything's wrong

D
You make it right

Bm
I feel so high

G
I come alive

D *D*
I need to be free with you tonight

Bm
I need your love

Bm
All the years
All the times
You were never been to blame

D
And now my eyes are perfect
And now my heart is closing

Bm

And all the tears
All the lies
All the waste
I've been trying to make it change

D

And now my eyes are perfect

Bm

I need your love

G

I need your time

D

When everything's wrong

D

You make it right

Bm

I feel so high

G

I come alive

D

D

I need to be free with you tonight

Bm

I need your love
