

Am F G

Do you remember I searched you out?

How I climbed your city's walls

Am F G

Do you remember me as devout?

How I prayed for your calls

Am G F

I stood still

It's what I did

Am G C F

Love like ours just never fits

F G

I stuck around

F

I did behave,

G

Saved you every time.

F

I was a fool for love

G

I was a fool for love

F G

I was a fool

F G

I was a fool

(piano part) Am F G

Am F G

Then you blamed me and blocked me out

How long did you think I'd last?

Am F G

Then you disappeared for weeks to pout

How many times could I pack?

Am G F

But stand still is all I did.

Am G C F

Love like ours just never fits

F G

So I stuck around

F

I did behave,

G

Saved you every time.

F

I was a fool for love

G

I was a fool for love

F G

I was a fool

F G

I was a fool

F
