

INTRO: A G A G A G D x2

D G D A D

If you see her, say hello, she might be in Tangier

D G D C A

She left here last early spring, is livin' there, I he- -ar

Bm G D G

Say for me that I'm all right though things get kind of slow

Bm D G G D

She might think that I've forgotten her, don't tell her it isn't so-o.

D G D A D

We had a falling-out, like lovers often will

D G D C A

And to think of how she left that night, it still brings me a ch- -ill

Bm G D G

And though our separation, it pierced me to the heart

Bm D G G D

She still lives inside of me, we've never been apa-art.

D G D A D

If you get close to her, kiss her once for me

G D C A

I always have respected her for doin' what she did and gettin' fre- -e

Bm G D G

Oh, whatever makes her happy, I won't stand in the way.

Bm D G G

D

Oh, the bitter taste still lingers on, from that night I tried to make her sta-  
ay.

D G D A D

I see a lot of people, as I make the rounds

G D C A

And I hear her name here and there as I go from town to to- -own

Bm G D G

And I've never gotten used to it, I've just learned to turn it off

Bm D G G D

Either I'm too sensitive or else I'm gettin' so-of-t.

D G D A D

Sundown, yellow moon, I replay the past

G D C A

I know every scene by heart, they all went by so fa- -ast

Bm G D G

If she's passin' back this way, I'm not that hard to find

Bm D G G D

Tell her she can look me up if she's got the ti-ime.
