

Bm

If I'm a bad person and you don't like me
I guess I'll make my own way

Em

It's a circle, a mean cycle

D A

I can't excite you anymore

Bm

Where's your gavel?

Your jury

What's my offense this time?

Em

You're not a judge but if you're gonna judge me

D A

Well sentence me to another life.

PRE-CHORUS

Bm

Don't wanna hear your sad songs

I don't wanna feel your pain

When you swear it's all my fault

Em

'Cause you know we're not the same

We're not the same

D A

Oh we're not the same

Bm

The friends that stuck together

We wrote our names in blood

Em

But I guess you can't accept that the change is good

D A

It's good, It's good

Em-G

CHORUS

Bm D

Well you treat me just like

Bm D

Another stranger

G D

Well it's nice to meet you sir

This is the best thing that could've happened

Any longer and I wouldn't have made it

Em

It's not war, no it's not a rapture

D *A*

I'm just a person but you can't take it

Bm

The same tricks that, once fooled me

They won't get you anywhere

Em

I'm not the same kid from your memory

D *A*

Now I can fend for myself
