```
G G#
\Box C
I've been in love for many times
I thought I knew this fall
But now you treated me so wrong baby
I can't take anymore and it looks like
                Dm G C G7
Em
I'll never fall in love again
C Am C
                        Em Am
Fall in love I never gonna fall in love
                 G C G7
I mean it fall in love again
С
All those things I've heard about it
I thought there were only lies
And when I caught you in her arms baby
I just broke down and cried
       C
And it looks like
            Dm
                     G C G7
I'll never fall in love again
C Am C
                        Em Am
Fall in love I never gonna fall in love
          F
                 G C G7
I mean it fall in love again
I give my heart so easily
Em
I cast aside my pride
And when you fell with someone else baby
           G
I broke up all inside
And it looks like
                           G C G7
                   Dm
I never gonna fall in love again
C Am C
                        Em Am
Fall in love I never gonna fall in love
          F
                 G
                      C G7
I mean it fall in love again
```
