```
Em
I remember years ago
Someone told me I should take
Caution when it comes to love
I did, I did
Em
And you were strong and I was not
My illusion, my mistake
I was careless, I forgot
I did
   С
And now when all is done
There is nothing to say
You have gone and so effortlessly
You have won
You can go ahead tell them
[Nak.]
          Em
Tell them all I know now
Shout it from the rooftops
Write it on the skyline
All we had is gone now
          Em
Tell them I was happy
And my heart is broken
All my scars are open
Tell them what I hoped would be
    Em
Impossible, impossible
             С
Impossible, impossible
(Akorlar aynı o yüzden tekrardan yazmadım :))
Falling out of love is hard
Falling for betrayal is worst
```

Broken trust and broken hearts I know, I know Thinking all you need is there Building faith on love is worst Empty promises will wear I know (i know)

And know when all is gone There is nothing to say And if you're done with embarrassing me On your own you can go ahead tell them

[Nak.]

Tell them all I know now
Shout it from the rooftops
Write it on the skyline
All we had is gone now
Tell them I was happy
And my heart is broken
All my scars are open
Tell them what I hoped would be
Impossible, impossible

I remember years ago Someone told me I should take Caution when it comes to love I did

Tell them all I know now
Shout it from the rooftops
Write it on the skyline
All we had is gone now
Tell them I was happy (i was happy)
And my heart is broken
All my scars are open
Tell them what I hoped would be
Impossible, impossible
