

Am

I didn't want to be the one to forget

G

I thought of everything I'd never regret

F

A little time with you is all that I get

Dm

That's all we need because it's all we can take

Am

One thing I never see the same when you're around

G

I don't believe in him his lips on the ground.

F

I want to take you to that place in the Roche

Dm

But no one gives us any time anymore

Am

He asked me once if I'd look in on his dog

G

You made an offer for it then you ran off

F

I got a picture of us kids in my head

Dm

And all I hear is the last thing that you said:

Am

"I listened to your problems now listen to mine"

G

I didn't want to anymore

Am

F

And we will never be alone again

Dm

Cause it doesn't happen everyday

G

Kinda counted on you being a friend

Am

Can I give it up or give it away

F

Now I thought about what I wanna say

Dm

But I never really know where to go

G

So I chained myself to a friend

Am

Cause I know it unlocks like a door

F

And we will never be alone again

Dm

Cause it doesn't happen everyday

G

Kinda counted on you being a friend

Am

Can I give it up or give it away

F

Now I thought about what I wanna say

Dm

But I never really know where to go

G

So I chained myself to a friend

F Dm

Some more again

Am

It didn't matter what they wanted to see

G

You thought he saw someone that looked just like me

F

The summer memory that just never dies

Dm

We worked too long and hard to give it no time

Am

He sees right through me it's so easy with lies

G

Cracks in the road that I would try and disguise

F

He runs the scissor at the seam in the wall

Dm

He cannot break it down or else he would fall

Am

1000 lonely stars

G

Hiding in the cold

F Dm

Take it oh I don't wanna sing anymore

Am G F Dm

don't get upset

I'm not with you.

We're swimming around
