D#m F#

Come on, come on

C# G#m

Put your hands into the fire

D#m F#

Explain, explain

C# G#m

As I turn and meet the power

D#m F#

This time, This time

C# G#m

Turning white and senses dire

D#m F#

Pull up, pull up

C# G#m

From one extreme to another

B D#m

From the summer to the spring

C# B

From the mountain to the air

B D#m

From Samaritan to sin

C# B

And it's waiting on the end
