Here we are and I can think from all the pills, hey
Bb F C
Start the car and take me home

Dm Bb F C Dm
Here we are and you're too drunk to hear a word I say
Bb F C
Start the car and take me home

Dm Bb
Just tonight I will stay

And we'll throw it all away
Dm Bb
When the light hits your eyes

It's telling me I'm right
Dm Bb
And if I, I am through
F A7
It's all because of you

Just tonight

Dm Bb F C Dm
Here I am and I can't seem to see straight
Bb F C
But I'm too numb to feel right now

Dm Bb F C Dm
And here I am watching the clock that's ticking away my time
Bb F C
I'm too numb to feel right now

Dm Bb
Just tonight I will stay

And we'll throw it all away

When the light hits your eyes

It's telling me I'm right

It's all because of you

Just Tonight

Bb F
Do you understand who I am

A7 Dm
Do you wanna know
Bb F A7
Can you really see through me now

I am 'bout to go

Dm Bb
But just tonight I won't leave

I'll lie and you'll believe

Just tonight I will see

It's all because of me
