

*Em*

It doesn't matter if I'm right or wrong

It really doesn't mean a thing

It doesn't matter if you like my song

*Em7 D/F# A*

As long as you can hear me sing

*Em*

'Cause I'm the thorn in every little girl's rose

You know I cut but never bleed

A shadow in the night, pure delight

*Em7 D/F# A Am*

I can satisfy your every need

*Em C Am D*

I'm a real smooth dancer, I'm fantasy man

*Em C Am D*

Master of illusion, magic touch in my hand

*Em C Am D*

All the stages are empty when I steal the scenes

*Em C Am D Em*

A beggar of love, second hand hero...King of Dreams

*Em*

Don't make a difference what you got

It doesn't matter what you lose

Don't make a difference if you like it or not

*Em7 D/F# A*

Baby I'm gonna change your attitude

*Em*

'Cause all around me there is mystery and wonder

Now can't you see it in my eyes

I'll crack the sky, make you feel the thunder

*Em7 D/F# A Am*

You'll never see through my disguise
