

F#m *Em*
F#m *Em*
Leaves are falling from the tree
F#m *Em*
More than anything I want to be
F#m *Em*
Close to you back in your arms
A *D*
I swear I'm still in love
Dm
Don't say a word just wait
Am
As the bell will ring across the street we know
Cm *Gm*
Those memories never go
Bm *F* (one upstroke)
Leaves are falling from the sky
F#m *Em*
Why don't we give it just another try
F#m *Em*
When the winter comes along
A *D*
The shadows will be gone
Dm
The ice will melt away
Am
'cause in front of the old fire, place is warm
Cm *Gm*
Oooh, welcome home
Bm *F* (one upstroke)
Let me take you back again
C *G*
To a love has got a name
Am
For you and me
G
Another day another chance
C *G*
Only love will kill the pain
Am
That hurts so deep
G
Don't waste a moment of your life
F *G*
'cause it's just a kiss of borrowed time
Dm *C* *Bm* *Am* *G*
SOLO CHORDS: same as during the verse
Let me take you back again
C *G*
To a love has got a name
Am
For you and me
G
Another day another chance

C G
Only love will kill the pain

Am
That hurts so deep

G
And we taste the wine

F *Dm*
Just another sip of borrowed time

Em *C* *Bm* *Em* *D*
