```
G
Let it go
Let it go
   Em
Can't hold you back anymore
    G
Let it go
    D
Let it go
                 С
    Em
Turn my back and slam the door
[Verse 1]
  Em
                  С
The snow blows white on the mountain tonight
   G
             D
Not a footprint to be seen
           С
                    G
                                 Am
A kingdom of isolation and it looks like I'm the Queen
                                D
         С
                    G
The wind is howling like the swirling storm inside
Em
            С
Couldn't keep it in, heaven knows I tried
                      С
Don't let them in, don't let them see
Be the good girl
You always had to be
D
Conceal, don't feel
         С
Don't let them know
   С
Well, now they know
[Chorus]
    G
Let it go
   D
Let it go
   Em
               С
Can't hold you back anymore
    G
Let it go
    D
Let it go
                 С
    Em
Turn my back and slam the door
               Em
       D
                       С
And here I stand, and here I'll stay
```

```
Let it go
   D
Let it go
  С
The cold never bothered me anyway
[Verse 2]
  Em
         С
It's funny how some distance
            D
Makes everything seem small
And the fears that once controlled me
   G
          Am
Can't get to me at all
Em
         С
Up here in the cold thin air
 G
        D
I finally can breathe
      С
 Em
                      G
                               Am
I know left a life behind but I'm too relieved to grieve
[Chorus]
    G
Let it go
   D
Let it go
   Em
               С
Can't hold you back anymore
    G
Let it go
    D
Let it go
    Em
                С
Turn my back and slam the door
  G D
And here I stand
  Em
         С
And here I'll stay
    G
Let it go
   D
Let it go
  С
The cold never bothered me anyway
[Bridge]
G
     D
          Em
               С
Standing frozen in the life I've chosen
            Em C
You won't find me, the past is so behind me
```

G

```
G D Em C
Buried in the snow
[Chorus]
   G
Let it go
   D
Let it go
         С
  Em
Can't hold you back anymore
Let it go
   D
Let it go
               С
Turn my back and slam the door
  G D
And here I stand
  Em C
And here I'll stay
   G
Let it go
   D
Let it go
  С
The cold never bothered me anyway
```
