Bm Em F#m Bm

I know you sat alone so many nights waiting for me.

Em F#m E

Cold, your face like a stone, I hang up the phone when we disagree.

Bm Em F#m Bm

Standing there by my side when the fighting is done,

Bm Em F#m

glaring at me in the light is my little toy gun.

Bm Em F#m Bm

Shining in black like shoes on a rack with a trigger that's dressed up in gold.

Bm Em F#m Bm

It's always warm inside my home but its handle is always so cold.

3m Em F#m Bm

Whispering into my ear, all the lies you spun.

Bm Em F#m

My single greatest fear is my little toy gun.

Wait for the day when I can save face and come to a happy home.

I know it's turning me to the count of girl who'd rather be alone.

Just wait til I get my way I promise you it won't be fun.

F#m

If you feel like you should pray, pray for my little toy gun
