

Am
Years ago,
F
I dreamt of the life I'd lead
Am
Years ago,
F
I thought of the things I'd do
Am
Years ago,
F
I dreamt of the girl I'd love

Am
When I grew older
Em
to be the young man
F
to be the grown man
Em *Am*
to take my place in the world

Am *F*
Lonely...lonely..
Em *Am*
Lonely...lonely
 F
I'm a lonely, lonely man

Am
I grew up.
F
Went up walk and left my dreams.
Am
I grew up
F
Found that life has hidden sides
Am
I grew up
F
Tested things with my own hands

Am
Then I met the young girl,
Em
To share my story,
F
To love and marry
Em *Am*
And proudly carry to my home

Am *F*
Lonely...lonely
Em *Am*

Lonely, lonely..

F

I'm a lonely man,

Am

As years passed

F

I learnt that love doesn't last.

Am

As years passed,

F

I saw life's not what it seems.

Am

As years passed,

F

I have gone back to my dreams

Am

But my dreams grew sadder,

Em

And now I feel old.

F

My heart has grown cold,

Em

Am

And the story's told of my life.

Am *F*

Lonely...lonely..

Em *Am*

Lonely...lonely

F

I'm a lonely, lonely man
