

Lonely, lonely..

*F*

I'm a lonely man,

*Am*

As years passed

*F*

I learnt that love doesn't last.

*Am*

As years passed,

*F*

I saw life's not what it seems.

*Am*

As years passed,

*F*

I have gone back to my dreams

*Am*

But my dreams grew sadder,

*Em*

And now I feel old.

*F*

My heart has grown cold,

*Em* *Am*

And the story's told of my life.

*Am* *F*

Lonely...lonely..

*Em* *Am*

Lonely...lonely

*F*

I'm a lonely, lonely man
