Am
Years ago,
I dreamt of the life I'd lead
Am
Years ago,
I thought of the things I'd do
Am
Years ago,
I dreamt of the girl I'd love
Am
When I grew older
to be the young man
to be the grown man
                Am
to take my place in the world
Am
Lonely...lonely..
Em
        Am
Lonely...lonely
I'm a lonely, lonely man
Am
I grew up.
Went up walk and left my dreams.
I grew up
Found than life has hidden sides
Αm
I grew up
F
Tested things with my own hands
Am
Then I met the young girl,
To share my story,
F
To love and marry
                   Am
And proudly carry to my home
         F
Am
Lonely...lonely
Em
        Am
```

```
Lonely, lonely..
I'm a lonely man,
Am
As years passed
I learnt that love doesn't fast.
Am
As yeras passed,
I saw life's not what it seems.
Am
As years passed,
I have gone back to my dreams
But my dreams grew sadder,
Em
And know I feel old.
My heart has grown cold,
                Am
And the story's told of my life.
Am
         F
Lonely...lonely..
         Am
Lonely...lonely
