AmEmThere are too many questionsThere is not one solutionThere is no resurrectionThere is so much confusion

And the love perfusion You make me feel You make me know And the love vibration You make me feel You make it shine

There are too many options There is no consolation I have lost my illusions What I want is an explanation

And the love perfusion You make me feel You make me know And the love direction You make me feel You make me shine You make me shine You make me shine You make me feel

I got you under my skin I got you under my skin I got you under my skin I got you under my skin

There is no comprehension There is real isolation There is so much destruction What I want is a celebration

And I know I can feel bad When I get in a bad mood

And the world can look so sad Only you make me feel good

I got you under my skin I got you under my skin I got you under my skin I got you under my skin

I got you under my skin I got you under my skin I got you under my skin I got you under my skin And the love perfusion You make me feel You make me know And the love intention You make me feel You make me shine You make me shine You make me feel

I got you under my skin I got you under my skin

And I know I can feel bad When I get in a bad mood And the world can look so sad Only you make me feel good
