A        G            A        Bm        G        A

You wanna get close to me,  
The feeling's so clear,  
But I need some time to see  
Vision through my tear.

You wanna get next to me,  
I need your intrusion.  
I don't need to be,  
Blinded by confusion.

For these next lyrics, use the following chord arrangement:

G        A  
Here is my heart,

G        A  
Waiting for you

G        A  
Here is my soul,

G        A  
I eat at Chez Nous. Then use same A G A Bm G A arrangement for the chorus:

Love will find a way,  
if you want it to.  
Love will find a way,  
love will find a way for me and you. Bm        A  
Love will find a way (repeat 4x)... then back to intro line, etc.

2nd Verse:

So you want to get over me,  
and that's how you feel.  
Everything you want to be,  
seems so unreal.

I want to be all of you,  
and that's the confusion.  
It's so hard for me,  
to draw a conclusion.
