Your lonely face, your lonely eyes
This is something you can't disguise
It's not just me, you feel it too
'Cause you know I belong with you

Look at where we're going tell me what can I say

We're tracing our footsteps, we're going the same way

Madeline, here we go around again
G Em C D
You know it, I know it, don't try to pretend
G F Em D
You know it could be so much better than it's been
