the muscles atrophied

*G5*

the screen is us and we're t.v.

*Bb5*

spread me open,

*C5*

sticking to my pointy ribs

*A5*

are all your infants in abortion cribs

*G5 Bb5*

I was born into this

*C5*

everything turns to shit

*A5*

the boy that you loved is the man that you fear

*E5*

pray until your number,

*B5*

asleep from all your pain,

*C5*

your apple has been rotting

*C5*

tomorrow's turned up dead

*G5 Bb5 C5*

i have it all and i have no choice but to

*A5*

i'll make everyone pay and you will see

*G5 Bb5*

you can kill yourself now

*C5*

because you're dead in my mind

*A5*

the boy that you loved is the monster you fear

*E5 B5*

peel off all those eyes and crawl into the dark,

*C5*

you've poisoned all of your children to camouflage your scars

*E5 B5*

pray unto the splinters, pray unto your fear

*C5*

pray your life was just a dream the cut that never heals

*E5 B5*

pray now baby, pray your life was just a dream

*C5 C5*
