

F# B

If I had, one single wish

C# F#

I go back to the moment I kissed

F# B

You goodbye no matter how hard I tried

C# B

I can't live without you in my life

Nak.

F# B

you?ll say you still want me

C# F#

you?ll say that you don't

F# B

we said it was over

C# F#

Baby I can't let you go

I walk around couldn't understand

Where we were wrong and I can't pretend

It wasn't me it wasn't me

But I'm convinced we gave up too soon

F# B

Nothing left to lose after to losing you

C# F#

There's nothing I can take

F# B

When I run to you, when I come for you

C# C#

You tell me I'm too late
