Em D
I'm in the business of misery, let's take it from the top
Em C

Em D
It's a matter of time before we all run out...

I waited eight long months
D
She finally set him free
Em C
I told him I couldn't lie, he was the only one for me
Em D
Two weeks and we had caught on fire
Em C
She's got it out for me, but I wear the biggest smile

Second chances: they don't ever matter, people never change

Em D
And about forgiveness, we're both supposed to have exchanged
Em C
I'm sorry honey, but I'm passing up, now look this way
Em D
Well there's a million other girls who do it just like you
Em C
Looking as innocent as possible to get to who
Em D
They want and what they like, it's easy if you do it right
Em C
Well I refuse, I refuse, I refuse!
