

C Em F C
Deep in my heart there's no room for crying
Am F G G7
But I'm trying to see your point of view
C Em F C
Deep in my heart I'm afraid of dying
 Am F G G7
I'd be lying if I said I'm not

 F C
Welcome in welcome in
E7 Am
Shame about the weather
 F C
Welcome in welcome in
E7 Am
 You're welcooome

 F C
It's a sin it's a sin
E7 Am
 Where birds of a feather
 D7
Are welcome to land on you

 F Am
Ya Ya Ya Ya Ya Ya
 G C
You've got my eye-eyes
 F Am
We can see what you'll be
 G C
You can't disgui-ise
 F Am
And either way I will pray
 G E7
You will be wi-ise
 Am D7 G C
Pretty soon you will see tears in my eyes

C Em F C
As each day goes by it makes way for another
 Am F G G7
We discover that we're not alone
 C Em F C
And each day we try the best we can to recover
 Am F G G7
All the feelings that we left below

 F C
Welcome in welcome in
E7 Am
Shame about the weather
