Woke up cold one tuesday
I'm looking tired and feeling quite sick
                              C#
I felt like there was something missing in my day to day life
 Вb
So i quickly opened the wardrobe
Pulled out some jeans and a T-Shirt that seemed clean
Topped it off with a pair of old shoes
That were ripped around the seams
And I thought these shoes just don't suit me

Hey, I put some new shoes on
   Eb
And suddenly everything's right
I said, hey, I put some new shoes on
    Eb
And everybody's smiling, it's so inviting
Oh, short on money but long on time
Eb
Slowly strolling in the sweet sunshine
                    F
And I'm running late and I dont need an excuse
'Cause I'm wearing my brand new shoes

 Woke up late one thursday
                  G#
And I'm seeing stars as I'm rubbing my eyes
And I felt like there were two days missing
  C#
       F
As I focused on the time
And I made my way to the kitchen
                  G#
But I had to stop from the shock of what I found
Bb
A room full of all of our friends
   C#
               F
All dancing round and round
