

Chorus:

          A          G  
Nightingale, sing us a song  
D                  A  
Of a love that once belonged  
A                  G  
Nightingale, tell me your tale  
D                  A  
Was your journey far too long?

          G                  D  
Does it seem like I'm looking for an answer  
A                  G  
To a question I can't ask  
D                  A  
I don't know which way the feather falls  
G                  D  
Or I should blow it to the left

Chorus

All the voices that are spinning around me  
Trying to tell me what to say  
Can I fly right behind you  
And you can take me away
