Am C
Lately I've been thinkin', thinkin' 'bout what we had
F G
I know it was hard, it was all that we knew, yeah. Am C
-
Have you been drinkin', to take all the pain away? F
I wish that I could give you what you, deserve Am C
'Cause nothing could ever, ever replace you
F G
Nothing can make me feel like you do. Am C
You know there's no one, I can relate to F
And know we won't find a love that's so true.
C G
There's nothing like us, there's nothing like you and me $Am F$
Together through the storm.
C G
There's nothing like us, there's nothing like you and me Am
Together.
Am C
I gave you everything, baby, everything I had to give
F G
Girl, why would you push me away?
Am C
Lost in confusion, like an illusion G
You know I'm used to making your day.
Am C
But that is the past now, we didn't last now
