```
С
         Am
               Dm
Girl I don't think of you
              Em Am Dm C Em
At least that's what I try to do....oh
          Am
                Dm
And I just miss those days
           Em Am
                         Dm
Our secret little place, Oh well...oh
G5
        C5
But I'll be there
                         Em
                              A5
Anytime your heart is desperate just to love someone
I want you to call me now
Cause it feels so good to be your lover
When my lips are kissing you all over
                   Em
And no matter what I do I can't get you off my mind
I just want this night to last forever
            A5
It can not get any better
    F
In my life
        Am
               Dm
Now I don't feel the pain
     Em Am Dm C Em
My world went upside down insane....oh
        Am
                Dm
And I don't miss those nights
            Em Am
                         Dm C Em
Now maybe that's a lie as well.....oh
G5
        C5
Still I'll be there
                         Em
                              A5
Anytime your heart is desperate just to love someone
I want you to call me now
                     G
Cause it feels so good to be your lover
When my lips are kissing you all over
                   Em
And no matter what I do I can't get you off my mind
                   G
I just want this night to last forever
            A5
It can not get any better
    F
In my life
         A5 F5 G5 A5
that's where i belong in my life
```

And I'll be there C5 Em A5 Anytime your heart is desperate just to love someone I want you to call me now G Cause it feels so good to be your lover Am When my lips are kissing you all over And no matter what I do I can't get you off my mind I just want this night to last forever A5 It can not get any better G5 In my life Am Dm There's nothing left to do Em Am But to say those words to you G C Em C Am Oh yes I do
