But baby there you again, there you again making me love you

Yeah I stopped using my head, using my head let it all go

Got you stuck on my body, on my body like a tattoo

And now i'm feeling stupid, feeling stupid crawling back to you

So I cross my heart, and I hope to die, that i'll only stay with you one more ni

ght

And I know i've said it a million times

But i'll only stay with you one more night

Trying to tell you no, but my body keeps on telling you yes

Trying to tell you stop, but your lipstick got me so out of breath

I'd be waking up, in the morning probably hating myself

And i'd be waking up, feeling sastified but guilty as hell

But baby there you go again, there you go again making me love you

Yeah I stopped using my head, using my head let it all go

Got you stuck on my body, on my body like a tattoo

And now i'm feeling stupid, feeling stupid crawling back to you

So I cross my heart, and I hope to die, that i'll only stay with you one more ni

ght

And I know i've said it a million times

But i'll only stay with you one more night

Yeah baby give me one more night

Yeah baby give me one more night

Yeah baby give me one more night

But baby there you again, there you again making me love you

Yeah I stopped using my head, using my head let it all go
Got you stuck on my body, on my body like a tattoo
Yeah, yeah, yeah, yeah

So I cross my heart, and I hope to die, that i'll only stay with you one more ni
ght
And I know i've said it a million times
But i'll only stay with you one more night

(yeah baby give me one more night)

So I cross my heart, and I hope to die, that i'll only stay with you one more ni
ght
And I know i've said it a million times
But i'll only stay with you one more night

I don't know, whatever...
